Coursework Timeline

- Competitive applicants will have BIOL 111 & 112 completed by the deadline (although May grades can be considered). The more math and science courses completed, the better the chances of admission.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the Recommended and Required coursework completed by the end of Summer II semester before applying.

Additional Transfer Requirements

- The Department of Wildlife & Fisheries Sciences is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Highly recommend meeting with an academic advisor prior to submitting the application.
- For your essay, we would like to know what brought you to your major, why did you choose this major, and what do you want to do with your major. If you have any D's or F's, than an explanation of such grades could be useful.
- Meeting minimum requirements does not guarantee admission. The entire record is reviewed for consistency in coursework and grades.
- Please contact department regarding second-choice major consideration before applying.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Ag & Life Science at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
